Povio Academy Conference

Certificate of Participation

THIS CERTIFIES THAT

Kristijana Marušić

has participated and expanded their IT expertise at the Povio Academy Conference 2025.

They proactively engaged in an opportunity to broaden their knowledge and build meaningful connections with their peers and industry leaders in software engineering, project management, product design, and quality assurance. Their commitment to learning and professional growth in the tech community sets a foundation for future innovation and their success.

Ljubljana, March 2025
